

PREVENTION STAMP

REMIND YOUR BUSINESS PARTNERS THAT ALL THEIR PAYMENTS ARE MONITORED AND ADMINISTERED BY PROFESSIONALS

WHY COFACE:

- more than 75 years of experience,
- a database of 200 million companies from across the world,
- constantly developing and improving risk management models,
- covering worldwide geography,
- 4,500 experts work to the beat of the global economy supporting ~50,000 clients across 100 countries.

WITH US, DEBTS ARE RECOVERED FASTER:

- debt recovery is carried out by an expert from the country where the debtor is located,
- information about corporate debts is published in Lithuania as well as in the international database of the Coface network,
- if required, we will help recover the money in court.

WE RECOMMEND PLACING THIS STAMP ON:

- contracts entered into,
- invoices issued,
- acts on transfer and acceptance of works,
- other documents, as appropriate.
